INTAGLIO Workshop CHINE COLLE' WITH **Melissa Strawser**

The 2-day **Workshop** will show you an alternative paper-printing process by using a simple water-based **Intaglio** technique WITH **Chine Colle'**. Together, we can change the way we think about **making an impression!**

MELISSA STRAWSER PRINTmaker metal**SCULPTURE**

Melissa has been a PRINTmaker for almost 25 years. She recently has been AWARDED, International Artistic Residencies for the VI Printmaking Festival in Evora, Portugal. She will work with 3 International Printmakers near Lisbon in 2010. She is known internationally for her Intaglio print work using Aquatint and Chine Colle'. Her print work is currently represented in Germany. She holds a First Degree, MA Printmaking from The Slade School of Fine Art in London, UK. Today, Melissa creates Intaglio prints within Bertoia Studio in a newly established Barto Print Workshop. In Bertoia Studio, Melissa works as an Artist independently and also works collectively with international Bertoia-projects. She fabricates bronze, brass and copper Sculptures for the Garden and for Interiors, as well as corporate commissions.
